From the Chief Editor:

Dear readers,

Lucton is a completely new family to all of us. Every morning, when the golden sun shines through the window of our campus, each and every student will wake up and be ready for a brand-new day. Life is fulfilled and substantial in Lucton. When a lesson begins, students are always prepared for new challenges and show their enthusiasm towards the assignments and work. When a lesson ends, students gather around the playground or basketball court to enjoy sport, or cluster together with friends and buy delicious snacks such as hotdogs and cheesecakes. Every minute and hour that students spend inside Lucton is full of fun and passion. Our spirit is to be determined, responsible and courageous. I believe that every student in Lucton will have an unforgettable memory of this school, and to ensure that, we are busy creating memories here!

This is a magazine made by the school magazine club, with our wonderful English teacher, Ms. Ezdani. Here, you will read all about the interesting things that are happening around our school, Lucton School Shanghai, and our take on it.

Not only were we all new to one another at this school, but this team was new and we had to learn to work together. But everyone quickly discovered their own roles. Cindy is good at remembering the faces of our students and being a great artist, she has prepared a surprise for you (See if you can spot yourself!). Yisa is talented with design and making templates, Peter is always acting funny when he pretends to be stupid, so we can laugh (he is also a helpful team member!), Shary is a professional photographer who spends a lot of time discussing beauty, Cherry is a fast worker and Olivia Zhao is humorous and responsible, and we also have got Ms. Ezdani supporting us while we are doing all the work. This forms a great team for our school magazine club, and it has been wonderful to be a part of it.

On behalf of the team, I'm proud to present the first edition of *The Luctonian*. Please read on, and feel free to show us your support with our first student publishing endeavor at Lucton!

Yours,

Sue Feng

亲爱的读者们：

Lucton对我们来说是一个全新的家庭。每天早上，当金色的阳光透过校园的窗户照进来，每个学生都会醒来，为崭新的一天做准备。在Lucton，生活充实而快乐。当课程开始时，学生总是做好迎接新挑战的准备，并表现出对作业和工作的热情。当课程结束时，学生聚集在操场或篮球场周围，享受运动，或和朋友聚在一起，购买美味的小吃，如热狗和奶酪蛋糕。学生们在Lucton度过的每一分钟每一小时都充满了乐趣和激情。我们的精神是坚定、负责和勇敢。我相信Lucton的每个学生都会对这所学校有一个难忘的回忆，为了确保这一点，我们正在这里整理并记录大家美好的回忆！

这是一本学校杂志社的杂志，由我们优秀的英语老师Ezdani女士制作。在这里，您将阅读有关我们学校，上海莱克顿学校发生的有趣的事情以及我们对此的看法。

我们不仅彼此陌生，这个团队全新的，我们需要在短时间内去学会一起工作。幸运的是，每个人都很快找到了自己的角色。Cindy Xiao十分善于记住学生的面孔，是一位伟大的艺术家，她还为学校里的部分同学画了漫画。请随意欣赏并猜猜画中的人长得像哪位学生。Yisa Ye有设计和制作模板的天赋，Peter Wu假装愚蠢的时候总是很有趣，我们可以开怀大笑（他也是一个乐于助人的团队成员！）Shary Wang是个专业的摄影师，她花很多时间讨论关于美和色彩的事物，Cherry是个快速的工作者，Olivia Zhao很幽默，也很有责任心，而且当我们做所有的工作时，我们也得到了Ezdani女士的支持。这对于我们学校杂志社来说是个很棒的团队，能成为其中的一员真是太棒了！

我代表这个团队，非常荣幸地呈现《Luctonian》的第一版。请继续阅读，并随时向我们展示您关于我们在Lucton Shanghai 第一个学生出版社的支持！

你们亲爱的主编

Sue

## Tell us a little about your professional experiences.

I feel very fortunate to have a job that I love and to work in a school that shares my values. I believe that academic success is best achieved by developing the whole child through educational experiences that challenge and stretch them to discover their full potential. I have been a teacher for almost twenty years and in that time, I have been privileged to work with students in an extraordinary range of locations and situations. I have trekked with students over the 4750m Punta Union pass in the heart of Peru's Cordillera Blanca mountains, I have worked in an orphanage in Yunnan province, I have scuba dived in the Mediterranean and surfed in the South China Sea, I have skied in the Swiss Alps and I have toured historic battlegrounds. I have witnessed academic and sporting triumphs and I have seen students debate with Senior Politicians, in all these unforgettable moments I have never failed to be impressed by the resilience, resourcefulness and capabilities of the young people with whom I work. I believe that if we have high expectations of our students they will rise to the challenges which are presented and realize their true promise and potential.

Clement Parrish

Deputy Head Academic

Of course, those spectacular moments do not happen every day and they do not happen without first building a foundation of knowledge, skills and personal qualities that students are able to utilize in challenging times. As the Head of Academics at Lucton School I strive to ensure that our students have the best opportunities in and out of the classroom and that standards and expectations of teaching and learning are exceptional. I work with the academic team through a programmed of continual professional development to ensure that our curriculum suits our students needs and we achieve the very best IGCSE results. We believe in coaching, collaboration and feedback. Through a weekly programmed of professional co-operation our teachers examine and implement the latest educational research and work to ensure that lessons are of the highest quality, tailored to meet the individual needs of the students. In lessons we believe that our students learn best through sharing, collaboration, discussion and debate. This approach not only deepens understanding and enhances their linguistic capabilities but also hones their teamwork and problem-solving skills.

Working in a small family school I am able to take a personal interest in every student, discovering their passions, aptitudes and talents, doing my best to provide opportunities for them to explore their gifts and promote independence, resilience and courage. We do this through regular student led assemblies, clubs and initiatives. Encouraging Student Leadership and fostering well-being and the courage to take on new challenges in a caring environment. We value the individual and strive to make lessons interesting by relating them to real life situations and challenging students to solve extended problems, deepening learning. We believe in incremental improvement towards clear goals, and working hard to make regular small gains. This is a philosophy I have applied in my personal life, as an approach to physical exercise, and after years of diligent training I recently regained the title of Hong Kong bench press champion. I think a consciously patient and rigorous approach to improvement works best for students and staff in all spheres of life and this approach serves us well as we embrace the challenges presented by an outstanding curriculum that sees our students engage in twelve hours of sports per week, including horse riding every Thursday afternoon, a full day of expressive arts, an extra-curricular programmed which enables students to enter national, regional and global competitions in Computer Science, Business Economics, Arts, Music, Drama, Debating to name but a few. Life at Lucton is full of challenge and I love it.

## 可以告诉我们一些你的职业经历吗？

我感到很幸运，有一份我喜欢的工作——在一所与我价值观相同的学校工作。我相信，要想在学业上取得成功，最好的办法就是通过我们自己的教育经历来让孩子取得全方面的发展，挑战和拓展他们的潜能。我当了近20年的老师，在那段时间里，我有幸与学生们在不同的地点、不同的情况下一起工作。我与学生在长途跋涉在4750 m 高的Punta Union秘鲁山脉布兰卡山脉，我曾在云南省的一个孤儿院工作过，我曾在地中海潜水，在南海冲浪，我曾在瑞士阿尔卑斯山滑雪，我曾参观了历史战场。我见证了我的学生们在学术和体育上的成功，也看到学生们与资深政治家们辩论，在所有这些难忘的时刻，我还记得与我一起工作的年轻人所具有的韧性和能力给我留下的印象十分深刻。我相信，如果我们对学生有很高的期望，他们就会迎接挑战，并实现他们真正的承诺和潜力。

当然，那些精彩的时刻不是每天都发生的，如果没有首先建立起学生们在具有挑战性的时期能够运用的知识、技能和个人素质的基础，它们就不会发生。作为Lucton Shanghai的学术校长，我会努力确保我们的学生在课堂内外都有最好的机会，我对于学生们和老师们教学标准和学业期望都是特别的：通过发展持续专业计划与学术团队合作，以确保我们的课程符合学生的需求，并取得最好的IGCSE成绩。我们的教师团队彼此相信并且互相学习，时常的相互合作以及反馈会使我们的各方面都变的更好。通过每周一次的专业合作计划，我们的教师审查和实施最新的教育研究和工作，以确保课程的最高质量，以满足学生的个人需求。在课程中，我们相信我们的学生通过分享、合作、讨论和辩论会学得最好。这不仅加深了他们的理解，提高了他们的语言能力，也锻炼了他们的团队合作能力和解决问题的能力。

在一个小的家庭学校工作，我能够对每个学生都有所了解，并有所关注，发现他们的热情，天赋和才能。尽我最大的努力为他们提供机会去探索他们的天赋，促进独立，韧性和勇气。我们通过学生主导的集会、俱乐部和活动来做到这一点。鼓励学生发挥领导才能，培养他们在关怀环境中勇于迎接新挑战的精神。我们重视个人，并努力使课程变得有趣，把它们与现实生活中的情况联系起来，挑战学生解决延伸的问题，深化学习。我们相信朝着明确的目标逐步改进，并努力实现阶段性的小收获。这是我在生活中实践出的道理，我也把它作为一种锻炼身体的方法。经过多年的刻苦训练，我最近重新获得了香港卧推冠军的头衔。我认为有意义的思考和严格的方法来改进最适合学生和老师在生活的所有方面，这种方法符合我们。以及我们接受每一项杰出的课程提出的挑战，我们认为我们的学生应该参与每周十二个小时的运动。包括每周四下午马术课程，周天的艺术拓展课程。计算机科学，商业经济学，艺术，音乐，戏剧，辩论等等的课外活动可以使学生有能力去参加全国甚至是全球级别的竞赛。在Lucton的生活充满了挑战，我喜欢它。

## What would you do if you won a million dollars?

A million is not a billion, not much would change in my life, I would invest some and take some risks on some business ideas, give some to charity but I think I would keep my job and my life wouldn't change that much. To tell the truth money is not a big deal in my life, it's much more important to do what you love every day.

## 你会做什么如果你得到了一百万美金?

一百万不是一亿，这不会对我的生活有太大的改变，我会在一些商业计划上冒险投资，把一些钱转给慈善机构，但是我觉得我会继续保持我的工作，生活上不会有太大的改变。实话来讲，金钱在我的生活中并没有那么重要，更重要的是每天做你爱做的事。

## What is the best and worst thing that can happen/has happened to you while you were in class?

Best thing that's happened in my classes has been watching a student who couldn't draw at all at the beginning of the year become a very competent artist by the end of the year and decide to apply to art universities. The worst was having a student put no effort in and never did his work and constantly talk with other students in class.

### 你在课堂上遇到的最好和最坏的事情是什么？

在我的课堂上发生的最好的事情就是看着一个在年初根本不会画画的学生在年底前成为一名非常有能力的艺术家，并决定申请艺术大学。最糟糕的是，一个学生没有付出任何努力，也从来没有做过他的工作，并且经常在课堂上和其他学生聊天。

## Is it okay for a classroom to be noisy?

Depends on the class and what work we're doing. In art class I don't mind as much so long as everybody's working or if it contributes to class.

### 你曾是什么样的学生？

我一直是个尊敬他人的学生，不害怕在课堂上提问或参与。上高中的时候，我是个好学生，但在大学二、三年级的时候，我的成绩太差了，但我对过去两年的态度要认真得多，并以A毕业。

## What would you do if you won a million dollars?

Travel the world for a few years and study under my favorite artists

### 上课的时候，教室里可以吵闹吗？

取决于班级和我们在做什么工作。在美术课上，只要每个人都在工作，或者是否对课堂有所贡献，我就不介意了。

## What kind of student were you?

I was always a respectful student and wasn't afraid to ask questions in class or participate. In high school. I was a good student but slacked off too much in my 2<sup>nd</sup> and 3<sup>rd</sup> year of college but took my last two years much more seriously and graduated with A's.

## Tell us a little about your professional experiences.

I had never really thought of becoming a teacher until I worked at a company that designed educational journeys for students. I travelled on these journeys with students sometimes and had so much fun, and learnt so much that I realized I liked being around younger people more than adults! I quit this job and then went to do a teaching course. I've since taught in China, Thailand and Uzbekistan and I have loved every minute of it.

### 可以告诉我们一些你的职业经历吗?

我从来没有想过成为一名教师，直到我在一家为学生设计了教育之旅的公司工作。我经常和学生一起旅行，玩得很开心，学到了很多，我意识到我喜欢周围的年轻人比成年人多！我辞掉这份工作然后去做一个教学课程。我从小就在中国、泰国和乌兹别克斯坦教过，我每一分钟都爱上它。

### Is it okay for a classroom to be noisy?

Only if I'm making noise too! Jokes aside, noisy classrooms can still have purpose.

### 上课的时候，教室里可以吵闹吗?

如果我也在大声说话或开玩笑，那是可以的。因为吵闹的教室还可以有目的的（活动）。

### What kind of students do you like?

All students-you guys make me happy.

### 你最喜欢什么样的学生?

所有的学生-你们让我开心。

### What kind of student were you?

Too good to be true!

#### 你曾是什么样的学生?

### What would you do if you won a million dollars?

I'd invest it so that it would allow me to travel until I died. Or I'd go to a cheap part of the world, build a beautiful house by the sea and mountains and have all my friends live with me. I'd farm, read, and study forever! Money, for me, is something that helps me see the world, and be closer to my friends.

我会把它投资，这样我就可以旅行到死为止。或者我会去世界上一个便宜的地方，在海边和山上建一座漂亮的房子，让我所有的朋友都和我住在一起。我会永远耕种，读书，学习！对我来说，钱能帮助我看清世界，更接近我的朋友。

Worst thing: Sleepy students.

### 你在课堂上遇到的最好和最坏的事情是什么？

最好的事情：每个人都渴望分享他们自己生活的城市和一些有趣的事情。

最糟糕的是：有些学生因为天气和上中文课的时间而困倦。

### Is it okay for a classroom to be noisy?

Well, I can accept that my classroom is a little bit noisy but I will feel upset if my classroom is very noisy because I think my students are not interested with the content I am teaching, so they prefer talking with others.

### 上课的时候，教室里可以吵闹吗？

好吧，我可以接受我的课堂有点吵，但如果我的课堂很吵，我会感到很沮丧，因为我觉得我的学生对我教的内容不感兴趣，所以他们更喜欢和别人交谈。

I had a bunch of students same age as you are three years ago. They were very energetic and passionate for their study. Most of them are in American universities now. ### 上课的时候，教室里可以吵闹吗？

## What kind of student were you?

I never studied outside the class hours in my school years as there were so many other interesting things to do., but I never struggled academically. I used to be very attentive in the classroom and that was all I did. I fared very well academically. As I studied in a very large boarding school, I loved sports and extracurricular activities. I passed life saver's course in swimming and won the King's Badge in Scouts (the highest honor) before I was in year 12.

### 你曾是什么样的学生？

因为我有很多其他有趣的事情要做，所以我在学校的课余时间从不学习。但是，在学术上从未挣扎过。我过去在课堂上非常专心，这就是我所做的一切。我在学业上表现得很好。当我在一所非常大的寄宿学校学习时，我喜欢体育和课外活动。在我12岁之前，我通过了救生员的游泳课程，赢得了童子军（最高荣誉）的勋章。

## How old are you?

### 你今年年龄多大了?

35, still young enough! 还年轻呢!

## Tell us a little about your professional experiences.

I love everyday-coming into school and working with young people. Each day is so different and the challenges students face to be successful in today's world really encourages me to pass on my guidance and knowledge. I started in education as a sports coach. I had great success winning a national rugby title in England which started my passion to get qualified and become a teacher. Sports has also been my passion but my later years have included more time spent in the classroom teaching other subjects especially Business and Geography. I really enjoy putting on a suit and teaching in a different environment as opposed the sports field!

Having lived and worked in China before gives me a lot experience about what is needed to be successful. I also love the small, friendly atmosphere of this boarding school and delighted I will be able to continue my career at such an exciting place like Lucton Shanghai.

## What kind of student were you?

I was actually a lazy student who was not challenged. This has really set the standard for me to ensure that my teaching challenges my students!

### 你曾是什么样的学生?

我其实是一个比较懒惰的学生，在我学习的过程中并没有受到挑战。但这真的为我的教学设定了标准，确保在学习的过程中让他们会接受到挑战!

### 你会做什么如果你得到了一百万美金?

我想在意大利买幢房子度假!在回到上海教书之前，我和妻子可以在某个地方放松一下。

Chris Meehan

P.E. Teacher

## What would you do if you won a million dollars?

I would buy a house in Italy for my vacations! Somewhere myself and wife can relax from the world before heading back to Shanghai to teach!

### 可以告诉我们一些你的职业经历吗?

我喜欢每天来学校和年轻人一起工作。每一天都是如此的不同，学生在当今世界要想成功所面临的挑战真的鼓励我去传递我的指导和知识。我一开始是做体育教练的。我很成功地在英国赢得了国家橄榄球冠军，这激发了我成为合格教师的热情。体育也一直是我的爱好，但我的晚年包括更多的时间在课堂上教授其他科目，特别是商业和地理。我真的很喜欢穿西装在不同的环境下教学，而不是在运动场上!

之前在中国生活和工作的经历让我对成功有了很多的体会，我也喜欢这个寄宿学校的小而友好的氛围，很高兴我能在像上海莱克顿这样令人兴奋的地方继续我的职业生涯。

## Tell us a little about your professional experiences.

I have been a teacher for 25 years. I took my honours degree in industrial design at the University of North Umbria in England and then pursued a career in engineering. During my five years as an engineer, I was responsible for the design and production of specialist structures required to enable the cleaning and construction of high-rise buildings. I then decided to pursue a teaching career and took a one year Teaching course at the University of North Umbria. My first and last teaching post was at Manor School in Hartlepool England. I started as a newly qualified teacher and moved on to become head of the technology department and later in my career as an Assistant Headteacher. Lucton is my first opportunity to work in an overseas school.

Paul Moffat

Design and Technology Teacher

### 可以告诉我们一些你的职业经历吗？

我已经做了25年的老师。我获得了英国诺桑比亚大学的工业设计荣誉学位，然后从事工程学的工作。在我作为工程师的五年中，我负责设计和生产高层建筑清洁和建筑所需的专业结构。然后我决定继续从事教学工作，并在诺桑比亚大学学习了一年的教学课程。我的第一个也是最后一个教学职位是在英国哈特尔普尔的庄园学校。我最初是一名新合格的老师，后来成为技术部门的负责人，后来担任助理校长。Lucton是我第一次在海外学校工作的机会。

### Is it okay for a classroom to be noisy?

Teaching DT means that some lessons are going to be noisy (for example when completing practical work and using machines). The noise needs to be productive though and if students are chatting then they are not working.

### 上课的时候，教室里可以

DT教学意味着某些课程会产生噪音（例如在完成实际工作和使用机器时）。噪音需要很高效，如果学生在聊天，那么他们就不会工作了。

### How old are you?

I am 55 in February.

### 你今年年龄多大了？

我二月份就55岁了。

### What is the best and worst thing that can happen/has happened to you while you were in class?

The best thing about being a teacher is seeing the progress made by students and celebrating their achievements at the end of the course. The worst thing about being a teacher is seeing students who don't realise their potential because they don't put enough effort into their work.

### 你在课堂上遇到的最好和最坏的事情是什么？

成为一名教师最好的事情就是看到学生取得的进步，并在课程结束时庆祝他们的成就。成为一名教师最糟糕的事情就是看到那些没有意识到自己潜力的学生，因为他们没有在工作上投入足够的精力。

## What would you do if you won a million dollars?

Retire and buy a big house somewhere on the Mediterranean coast.

## 你会做什么如果你得到了一百万美金?

我会打算退休然后在地中海沿岸的某个地方并买一所大房子。

## What kind of student were you?

I always enjoyed school. In my mind I was a perfect student but if I went back in time I think the reality would be slightly different. My favourite subjects were DT, history and geography. I also liked sports and played rugby and football.

## 你曾是什么样的学生?

我一直很喜欢上学。在我看来，我是一个完美的学生，但如果我回到过去，我认为现实略有不同。我最喜欢的科目是DT，历史和地理。我也喜欢运动，还喜欢橄榄球和橄榄球。
